Dear Mr. & Mrs. Rhea:

On behalf of Bear Necessities Pediatric Cancer Foundation and the children waging their courageous battles against pediatric cancer, we would like to thank you for your generous donation of \$19,100.00 raised at the Kailyn Rhea Foundation's 3rd Annual Golf Outing. Through your generosity and support we will continue our mission to eliminate pediatric cancer and to provide hope and support to those who are touched by it.

Bear Necessities is a unique organization in several ways. Our initiatives focus on immediate assistance for the children, their families and hospitals throughout the year, and also fund national research projects on an annual basis. During the foundation's history, over 80% of the revenue has been allocated in support of the mission.

Cancer remains the leading cause of death by disease in children under 15. Until we meet the day when every child can live a life free of cancer, the need remains to continue to promote awareness and improve prevention, diagnosis and treatment.

Thank you for helping us to eliminate this devastating disease and providing the hope for these brave children to have "many more tomorrows".

Kindest regards,

Kathleen
